

# Women Who Run With Wolves

## 3 Workshops

## Seal Skin - Soul Skin

Series begins - Sunday 26<sup>th</sup> April 2015

6 hrs CPD per workshop

The **first** in a series of **three** workshops designed for **women** to connect with their **soul's journey**.

The ancient stories we will be using come from the book *Women Who Run with the Wolves* by Clarissa Pinkola Estes. They invite us to use our intuition to connect to a place of healing, through story-telling, sharing, ritual, movement and creative materials to open ourselves to the deep wisdom of the body and to listen to the soul's call.

An open invitation to women with a willingness and desire to connect. You do not need any prior experience. There will be a maximum of 15 women.

In this latest series of workshops it is our intention to create a safe, sacred space in which we can connect as women to share our feminine nature and spirit to guide our selves back home.

You can take these workshops individually or you can attend all three (discount applies for booking all three)
